It is Elizabeth Whelan

For some reason the HHS Employee Directory comes up with someone else when you type in her name, some not in NIOSH, although if you type 'whelan' you can see her among the other 'whelans' and she is at NIOSH/DSHEFS as she should be

So I would say you would have to start using her email

[eaw0@cdc.gov](mailto:eaw0@cdc.gov)

Or just go back to my introduction email on 10/4, and reply to her off of that

Kyle,  
Would you have a phone number for Beth? What is her full name?  
Thanks!
